Clap

Dedicated to Our Warriors

for SSAA Children's Chorus,
with clapping and audience interaction

approximate duration: 7'30"

Note on Audience Interaction

There are three moments in the piece that call for audience participation: at rehearsal letters H, I, and J. At letters I and J, this will happen organically, and does not require any preparation. At letter H, the audience is asked to clap a specific rhythm along with the altos in the choir. This will require about 30 seconds of rehearsal with the audience before the performance of the piece.
